

The Forum Alliance

Founded in 1977, The Forum of Executive Women is a membership organization of more than 450 women of significant influence across the Greater Philadelphia region. Comprised of members holding senior leadership positions in corporations, nonprofits and public sector entities, The Forum of Executive Women actively works to promote its mission to leverage the power of executive women in the region to expand the impact and influence of women leaders. For additional information, see www.foew.com.

The Forum of Executive Women will be selecting one nonprofit entity (*“The Forum Ally”*) with which to strategically align over the course of the next two years. While The Forum of Executive Women will not make a monetary contribution to The Forum Ally, it will work in conjunction with The Forum Ally to build a mutually beneficial, two year-long relationship and to provide a source of talent and support for The Forum Ally over the course of the relationship. In furtherance of the relationship, The Forum of Executive Women will:

1. Design a joint event or initiative that highlights the mutual objectives of both entities;
2. Provide visibility among its membership for The Forum Ally in print and on its website (e.g., link to Forum Ally’s website and mention in its Newsletter);
3. Provide complimentary attendance for one (1) representative (employee) of The Forum Ally at The Forum of Executive Women’s four signature events during each year of the two-year relationship;
4. For each year of the two-year relationship, welcome a member of the Forum Ally organization who meets the criteria of The Forum Mentoring Program to participate in the Forum Mentoring Program;
5. Over the course of the two-year relationship, provide ten (10) hours of pro bono consulting services in an area mutually agreed-upon (e.g., the area of public relations/marketing, leadership development, governance, institutional development, or strategic planning).
6. Allow The Forum Ally to promote its alliance with The Forum of Executive Women, including use of The Forum of Executive Women’s name and logo, as mutually agreed upon.

Selection of The Forum Ally for 2020 – 2022 will be made by a committee of members of The Forum of Executive Women in May based on an application process. The Forum Ally will be expected to execute a letter agreement with The Forum of Executive Women memorializing the alliance.
